Other rooms and areas include:

- Конференц-зал
- Переговорная комната
- Кабинет для гостей
- Резерв
- Офис-менеджер
- Переговорка
- Кофе-машина, раковина
- Офис-менеджер
- Директор по производству
- С/У М
- С/У Ж
- Лестница
- Серверная
- Окно в цех

The plan is divided into sections A through N, with dimensions of 6000 units between sections. The total width is 72000 units.

Technical drawing of a rectangular building layout. The drawing shows a rectangle with dimensions 72000 (width) and 13000 (height). The top edge is divided into 12 equal segments, each labeled 6000. The segments are labeled with Cyrillic letters: А, Б, В, Г, Д, Е, Ж, З, И, К, Л, М, Н. The left edge is labeled with numbers 11, 12, and 13. The drawing includes a grid of points and lines, with a blue line indicating a specific path or boundary. The bottom edge is labeled 72000. The right edge is labeled 13000. The drawing is a technical representation of a building layout, likely for a school or institutional building.
