

This architectural perspective drawing shows a complex of buildings and structures. At the top, two long, narrow buildings with a grid-like facade are visible. Below them, a large, irregularly shaped building with a flat roof dominates the center. To the right of this building, there is a smaller structure with a sign that reads "PENTHOUSE". In the foreground, there are several smaller structures and objects, including a car labeled "K1717", a small building labeled "K1717", and a structure labeled "K1717". The drawing is oriented vertically on the page.
